

Special Notice To All 2013 CCWC Paid Members

At the last members meeting held on Monday, November 4th, I announced a recommendation by your Board to dissolve the CCWC as we were unsuccessful in obtaining volunteers for five open Board positions. Over 2/3 of those present agreed the circumstances warranted such action. The Board also recommended a vote of such impact to its membership should require clear acceptance and therefore sought 2/3 approval of paid members.

However, while the dissolution vote was taking place, there has been a new development. Carolyn Kosma has stepped forward and volunteered to be President for 2014. She has been able to enlist two additional women to volunteer for two other vacant Board positions (see below). This would provide sufficient leadership to go forward with the CCWC. Deb Hedges and Carolyn Kosma both agree the choice should be yours to make. Do you want the CCWC to go forward to 2014 or do you want to dissolve the club?

It is therefore the decision of your Board to terminate the current vote on dissolution and initiate a new vote. We will tally the responses, **from paid members only**, and accept a simple majority of those votes received as the decision. **Votes will be kept confidential.** Please return your vote to me via "Reply" or you can drop it in my mailbox at 8604 Timbermarsh Lane. The voting will end at midnight Friday, November 22. Votes received by that time will determine this outcome.

Thank you for your patience through this process. And thank you for taking your time to reconsider your options.
